## **Behaviour Principles Statement**

At Hinguar Primary School and Nursery, our drive is to enable all pupils to achieve their very best in a happy and purposeful learning environment. All our staff follow our established behaviour management procedures and everyone in our community fully understands our high expectations.

We have 5 key school principles:

1. We are gentle
2. We are kind and helpful
3. We work hard
4. We listen
5. We are honest

If pupils do not engage with appropriate behaviours at school, there is a clear behaviour system that the school follows.

In specific cases, individual behaviour plans are also used to support behaviour where necessary.

*Please view our behaviour management documentation for more information about our policy and procedures.*
