Hinguar is a good school and judged **outstanding** for Personal Development, Welfare and Behaviour.

Dear Parents,

On 8th and 9th June Ofsted Inspectors visited the school to conduct a Section 5 Inspection. We are highly delighted and pleased to inform you that the Ofsted inspectors judged that

- The school's work to promote pupils' personal development and welfare is **outstanding**.
- The behaviour of pupils is **outstanding**.

and Hinguar is a good school in every area and good in everything we do.

Please do take a time to read the full report; it describes the strengths of our school in detail and there is indeed a great deal to celebrate.

We can **all** be incredibly proud of the outcome of this inspection because with the full support of you, as parents, the strategic work of the Governing Body, the hard work of our children and the dedication and expertise of the staff 'Together We Achieved'.

Your support throughout the inspection was tremendous and I would like to thank all the parents and carers who provided feedback, both through the Parent View Survey or by talking to the inspectors during the inspection.

We also want to thank our children and staff who made sure that their pride in our school was very much in evidence during the inspection. The inspectors were very impressed by the enthusiasm of our whole community.

The three aspects identified by the inspection team to secure "outstanding" overall are those areas we had already identified, discussed with the inspectors and are currently addressing through our school improvement plan.

So in conclusion we are excited and looking forwards to continuing our success in the coming years to tip into Ofsted's "outstanding" category.

Thank you for your enthusiasm for our school. We will continue to ensure that we are doing our best for every child and that every child is at the centre of all that we do at Hinguar.

Yours sincerely

David George

Chair of Governors and on behalf of the Governing Body
