Newsletter 16 7th January 2022

Happy New Year

Happy New Year!

I hope you all had a good Christmas and New Year and that you managed to keep yourselves Covid-free. It was lovely to welcome the children back on Wednesday and see the smiles on their faces and their enthusiasm to be back in school. The term has started well with New Year Resolutions being made and our new topics look really exciting. I know that the children are looking forward to learning new things.

This week's newsletter is slightly different, as we have only had the children for 2 days, and is more of an informative newsletter to remind you of up and coming events relating to school. I hope that you will join our Pastoral Team, next week, for the SEND Parent Forum and the Packed Lunch workshop with Mrs Wilson. Parent Voice is very important to us in support of what we offer in school and for our families and to reflect the needs of our community.

Thank you for your continued support.

Kind regards

Mrs Waite
Headteacher

Our New Year's Resolution chosen by the Children of Hinguar

The children in assembly on Thursday, together devised three New Year Resolutions for the whole school to try and adhere to:

- To stay hydrated
- To be kind and gentle
- To be honest

Each week, the children will try to show when they have demonstrated a learning skill focus. This week the focus is providing evidence. The children voiced when they display this in school. These were their examples: in reading they show evidence in the text, at play and lunch when they are explaining something to friends and adults and in maths word problems / reasoning skills.

This coming week, please speak to your child(ren) to find out when they have provided evidence in school.

Parent Meeting to Discuss New School Lunch Box Policy

Our team of middays has noticed, recently that some packed lunch boxes have had packets of sweets in them.

Could we please remind you that sweets like Haribo, chocolate buttons etc are not allowed in lunch boxes and should be saved as a treat at home.

We are interested in supporting parents in looking at how to put together a variety of healthy packed lunches, within an affordable budget.

With this in mind, there will be a meeting on Friday 14th January at 9:00am to discuss a new school lunch box policy and ways in which school can support parents to provide a healthy lunch.

We hope to see you all there to hear your ideas and opinions.

Learning Leaders Year 5

A massive thank you to the Year 5 Learning Leaders, who have taken on their roles very seriously and worked hard with the younger year groups. They have completed reading practice, spellings, timetables, board games and number games activities.

The feedback from the Year 5 Learning Leaders - "it was great to see the children progress, get better and enjoy their learning". The children have all been given new year groups to work with and they are excited for the new challenge ahead.

SEND

We have recently moved our Individual Provision Plans (ISP's) to our online system (EDUKEY), meaning that you are able to access your child's ISP and comment on this from home. Thank you to those parents/carers who have accessed this online. Your comments are vital when discussing your child's provision and arrangements to support them in school. If you haven't had the opportunity to do so, please follow these simple steps below:

To set this up, you were given a unique access code attached to this guidance for you to log in with. You first need to set up an account to gain access – below are the steps to follow to do this.

Go to www.edukekeyapp.com/parents

You will have to enter your email address, the access code and your child's date of birth.

Tick the small box that says I don't have an account.

You will then be asked to enter further personal details.

This will then create an email sent to you to verify your email address. When you have completed this, you will then be able to log into your parent account and view your child's ISP.

At the bottom of the document is a comments box for you to add your parent comments which will be included on your child's ISP.

Should you have any queries, please contact Mrs White on email address:
kwhite@hinguar.secat.co.uk

SEND Parents' Forum

SEND Parent Forum

"We can't direct the wind, but we can adjust the sails"

Following the success of our parents working together in the sensory workshop, would you like to be part of the Hinguar Parent Forum Community? You may feel you don't have the skills set, but everyone does!

What do we all have in common? We are ALL parents with daily juggles such as family, work commitments, guilty feelings, exhaustion – do you ask yourself am I getting it right?

All families do things slightly differently. There are no right or wrong ways – what works for one, may not for another. If you are interested in chatting, sharing your worries, sharing something that works even if it was only for a day, hour or minute, then please join our Parent Forum.

The first session will be on Thursday 13th January 2022 at Hinguar Primary School after school drop off at 8:50am. You may even get a chance to see your little treasures in action.

At our first session, the conversation will be around 'how can Hinguar Community work together to address children who mask or camouflage their needs? What can school and home do together to help? '

Please join us via TEAMS if coming into school is tricky. https://teams.microsoft.com/l/meetup-join/19%3ameeting_MWlzNmNjZDUtZWQ0Ni00MGFmLTkyYzctMDA2YTliZjVhODMw%40thread.v2/0?context=%7b%22Tid%22%3a%2205d7635d-84d8-4237-9a33-cd6a8380144b%22%2c%22Oid%22%3a%22f9ad771a-992e-4c49-923e-f913bb073448%22%7d
