

Starfish Class

We hope you have all had a lovely half term and enjoyed the Jubilee weekend.

This week the Nursery children have been learning about and pretending to be Pirates! The children have listened to lots of pirate stories and joining in with pirate songs and dances.

The children have been drawing their own treasure maps and using them around the nursery to see what they could find. We have also had green sand out this week. The children have enjoyed digging in the sand looking for shells, coins and other buried treasure. They have been playing with the Small World pirate toys and pirate ships acting out the stories that they have been listening to.

We have also read the story 'Ten Little Pirates'. The children have worked hard on their maths skills, recognising and counting numbers 1-10 and putting the numbers in order.

Well done, Starfish class!

NEXT WEEK'S MENU— WEEK 3

School dinners need to be **ordered and paid for in advance on the IRIS Parent Mail app**.

School dinner menus will be published weekly for the following week to be ordered and paid for on the Parent Mail app. Universal and Free School Meal children will still need to order their choices on the Parent Mail app **but will not be charged**.

To order, open the IRIS Parent Mail app and go to accounts. In accounts there is the School Dinner Register, tap on this to open the School Dinner Register and tap one of the days. This will take you to the screen with the menus for the week where you can order your choices for the individual day or full week.

Seahorse Class

Welcome back, Seahorse Class

This week, we have travelled to Japan. We have looked at the culture comparing it to ours. We also listened to the story Suki's Kimono.

In Literacy, the children have been writing silly sentences and practising hard with their phonics.

In Maths, the children have been exploring doubling by rolling a dice and counting the number of spots twice. They have also been practising their number formation.

On the mark-making table, the children have coloured a variety of Japanese inspired pictures, they have also explored how to paint with watercolours, before painting pictures inspired by Hokusai's The Great Wave.

Throughout the week, children have also been cleaning dinosaurs, creating origami, playing hairdressers and building houses.

IMPORTANT NOTICE

From Monday 13th June, the children will stop lining up in the playground to start the school day and walk straight to the classroom. Mrs Hawkrigde and Mrs Newman will still be at the school gates to greet and direct the children to the orange door. Mrs Bowser or Mrs Penny will be in the classroom to assist the children with their bags and coats and supervise the morning activities before the morning register.

This is a great opportunity to introduce and practice the routine the children will use when they begin their Year 1 journey.

Sanderling Class

A great first week back, Year 5!

In English, we revised relative, embedded and subordinate clauses. We also recapped word classes.

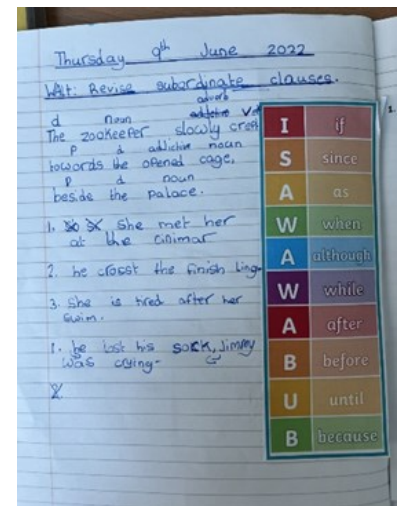

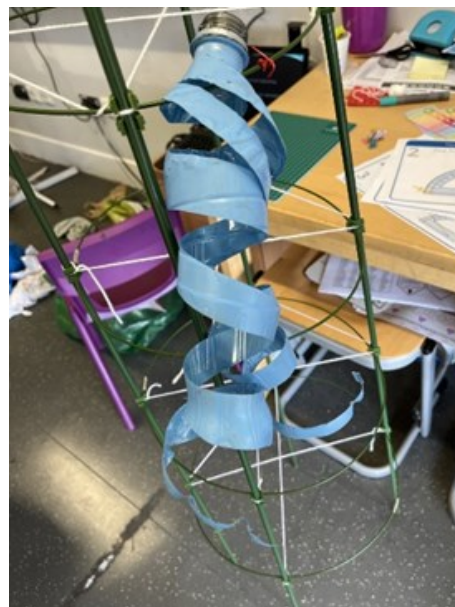

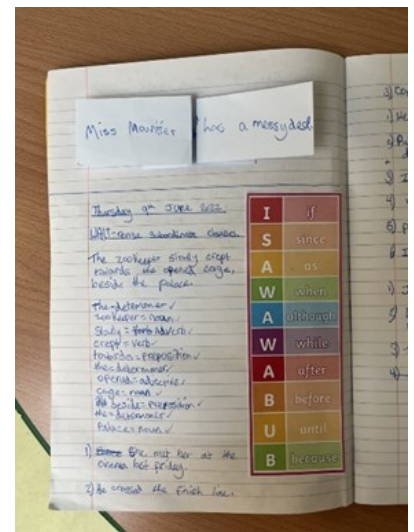

In Maths, we have been studying angles. All the children learnt how to use a protractor successfully.

In Art, we have been learning about Dale Chihuly and designing/ creating art inspired by his work.

In Science, we have been drawing timelines to indicate stages in the growth and development of humans.

Have a lovely weekend.

Someone
Special

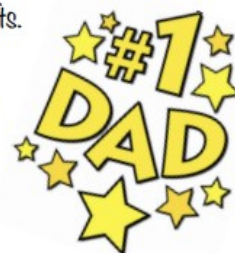

Celebrate someone special this Father's Day and purchase a gift from the Friends of Hinguar Father's Day Gift Stall.

All gifts are **£1.50** and can be purchased with cash on the sale dates during lunchtimes.

Please ensure your child comes to school with the correct money in a labelled envelope to pay for their gifts.

Each child may purchase 2 gifts.

Gifts subject to availability.

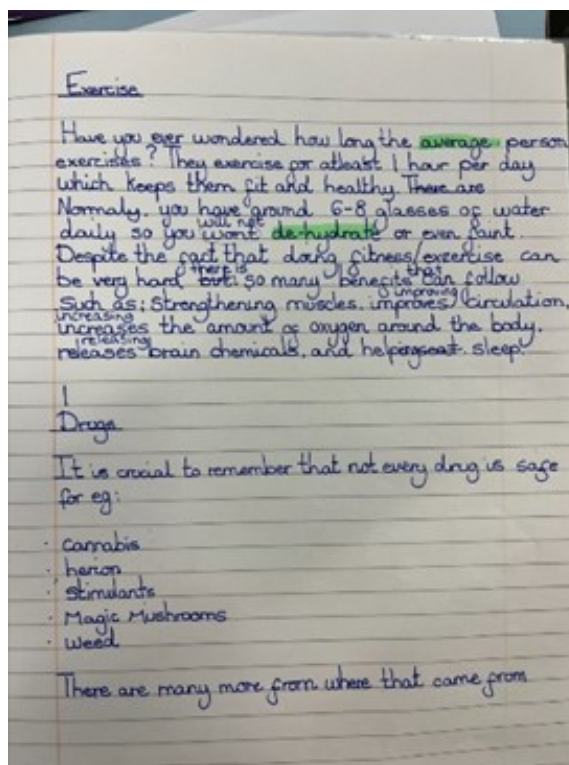

Oyster Class

This week in Oyster Class, we have been completing our phonic screening test. As part of the test the children are asked to read 'monster' words. The children had great fun designing their own monsters and thinking about how their monsters would say hello. We practised saying hello back to each of the monsters using their own special language. A real test of the children's blending and segmenting skills. When it came to the real test the children tried so hard. We were Incredibly proud of them!

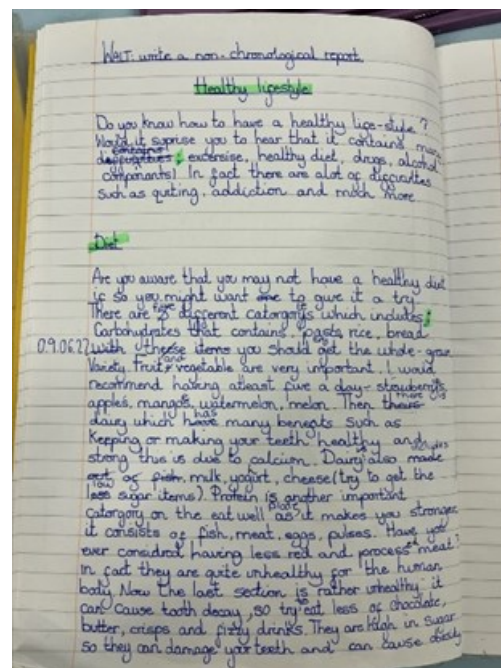

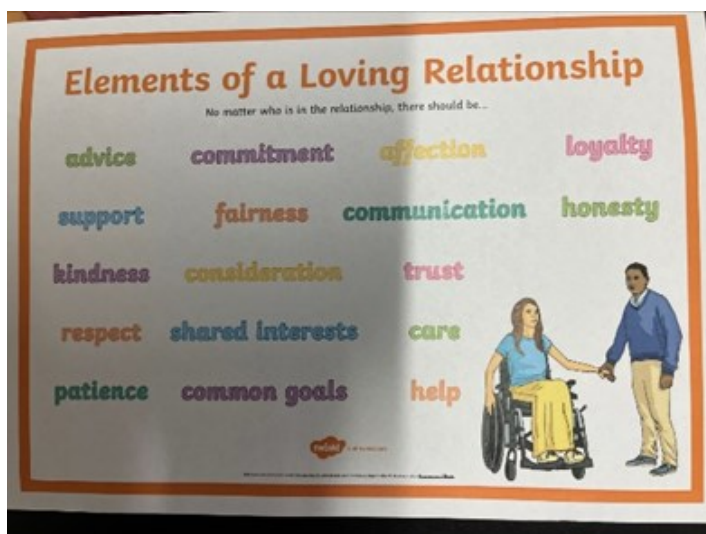

Avocet Class

Year 6 have returned to school with a great enthusiasm ready for their last half term. In English, they have begun to write their report on healthy living and making good lifestyle choices. Rehearsals have continued for our show and in music we have been learning the songs. In PE, we have been developing our athletics skills in training for the Borough Sports. In PSHE, we have been considering different relationships and what the barriers maybe to a loving relationship.

Have a good weekend,
Mrs Calvy, Mrs Hawkrige and Ms Hardy

Awards and Notices

Diving Talent

Well done to Mollie in Year 5 who, over the half term break, travelled to Kent to compete at the South East Region Diving Qualifier. We are so pleased to announce that she has qualified and will now compete in the National Finals in Leeds in July.

'Catch Me!' Awards

This is a system that rewards the children for doing the right thing all the time, whether it be being polite, helpful, ready to learn etc and any adult in the school can award the Catch Me! signatures to the children.

Well done to Alice in Seagull Class who received her Bronze Catch Me! Award.

Well done to Jamie in Seagull Class who received his Silver Catch Me! Award

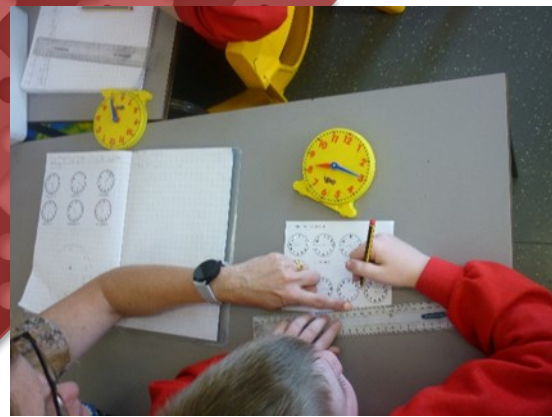

Well done to Sammy M in Seahorse Class, Olive, Lois and Paddy in Oyster Class and Max in Avocet Class who all received their Gold Catch Me! Awards.

Reading Champions

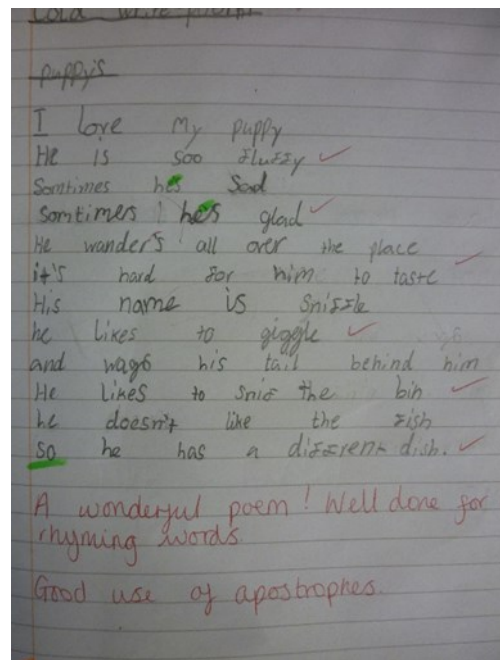

Well done to Evie in Avocet Class who is our latest Reading Champion. If you would like to be awarded a Reading Champion badge, you must read a selection of challenging books from a variety of genres and then write a short review of ONE book that you have read. We have plenty more badges waiting to be handed out so let's see who will be next! We thank all families for their continued support in enabling our children to be Reading Champions and in fostering a love of reading. 'Together We Achieve.'

Seagull Class

This week in Seagull class, we have been reading and listening to poems about monsters and dragons. We learnt and performed our favourite poems and performed in front of the class. Next week, we will be writing our own interpretations of these poems using rhymes. In maths, our focus has been recognising different times on a clock. We have been practicing making times on clocks and drawing hands in the correct places. There has been some wonderful perseverance this week! Our topic this half term is Lighthouses and Grace Darling. To start our topic, we watched videos and looked at sources of information to discover who Grace Darling was and what she did that was so heroic. In art, we looked closely at the patterns and shapes of seashells and used sketch pencils to produce some amazing artwork. Another wonderful week, Seagulls!

Student of the Week`

Student of the Week Awards are presented in class to celebrate a child's success in their learning. This may be through a strategy they have applied, a way of working that reflects a 'can do' attitude to achieve or a personal milestone achieved.

Birthday Celebrations

This week in assembly we celebrated Albert, Rosie and Max's birthdays.

Race to the Park

The winning classes for each half term are rewarded with a trip to the local park.

The leaders in the race so far this term are KS1 Seagull Class 96.55% and in KS2 Sanderling Class 98.89 %.

100% Attendance and Punctuality Prize

Each week, during our celebration assembly, we congratulate good attendance as a whole class.

This week in KS1, Alice the Bunny was awarded to Seagull Class with 96.55% and in KS2 the attendance cup was awarded to Sanderling Class with 98.89 %.

The classes will be rewarded with an extra turn on the play equipment.

Heron Class

Heron Class have had a great week back. They have continued learning how to tell the time in Maths and begun to prepare to write a Non-Chronological report in English. In Geography they have learned about the different animals that are found in the Amazon Rainforest and also compared it to Sherwood Forest. In PSHE they designed their own well balanced meal and have enjoyed swimming, P.E. and Music. They were at their most creative watching the artist John Dyer on a Last Chance to Paint webinar when they followed instructions in order to create some magnificent, colourful paintings of the rainforest. Well done, Herons - keep it up!

Text us for confidential advice and support

We do not usually inform anyone else if you contact the school nurse. We might inform someone if we were concerned about you or your child's safety, but we would usually speak to you first. Your messages are stored and can be seen by other healthcare staff who follow the same confidentiality rules. We aim to reply to you within one working day and you should get an immediate bounce-back to confirm we received your text. Texts will not be seen outside of normal working hours. If you need help before you hear back from us, contact a member of school staff or your doctor. Our text number does not receive voice calls or MMS picture messages. We support messaging from UK mobile numbers only (which does not include messages sent from landlines, international mobile numbers and some 'number masking' mobile apps). Prevent the school nurse from sending messages to you by texting STOP to our number. Messages are charged at your usual rate.
