TOGETHER WE ACHIEVE

Newsletter 35 17th June 2022

On Tuesday, we took a team of 52 children from Years 3-6 to compete in this years Borough sports competition at Garon Park.

I am very proud of the way the children behaved and participated. Every single child tried their best, even though it was an extremely warm day.

At the end of the morning, there was a trophy presentation. We came third on the track, second in the field events and third overall. Eight children also received first place medals and 20 children have been invited back to compete in Super Sports in a couple of week's time.

A professional photographer was there on the day. If your child participated and you would like to see the photos, please contact me via [teachers@hinguar.secat.co.uk](mailto:teachers@hinguar.secat.co.uk) and we will send you the link, as the website is password protected.

### Friends of Hinguar Update

#### **Non-uniform day Thursday 23<sup>rd</sup> June**

Please see the poster attached. Instead of a money donation we are asking for colour hamper donations.

#### **Donations for the Summer Fair**

We are looking for donations of the following items:

- Bottles of wine/alcohol for the 'water and wine' stall and also any empty screw top wine bottles
- Great quality/unused toys or teddies for the toy tombola

Gazebo - can anyone loan us a gazebo for the day? if you can please email: [FriendsofHinguar@outlook.com](mailto:FriendsofHinguar@outlook.com)

- Unwanted new gifts

Cakes for our cake stall on the day of the fair

Please leave donations in the uniform box in reception and FOH will empty daily. Cakes can be dropped off at the fair.

#### **Summer Fair Volunteers - We Need You**

It's been nearly 3 years since our last Summer Fair and now, it's just around the corner

(Saturday 2nd of July 11am – 3pm) and it's going to be an absolutely fantastic day!

To ensure its success we need lots of parent/carers volunteers. We are looking for help setting up in the morning from 8am, people to run our games stalls (i.e. toy tombola, water or wine, hook a duck etc) and a team to help us with inevitable clean up at the end.

Please can you spare a few hours on the day to help us? The more helpers, the more varied entertainments, fun and games we can provide and the more money we can raise. We don't expect you to give up your whole day, just a couple hours, everyone should get to enjoy this wonderful event.

Please complete the form below **by no later than Wednesday 22nd of June** to help us to plan for the day.

### ASDA Green Tokens - please vote for our school online once a week

Hinguar have been nominated to be part of the Asda Foundation Green Token Giving online vote through your local Asda store Shoeburyness.

The vote is now live and voting will close at midnight on Friday 30<sup>th</sup> September 2022. The cause with the most online votes will receive a £500 donation with second place receiving £400 and third place £300. Please vote for us and help us raise some money to spruce up our garden area.

You can vote by visiting [www.asda.com/green-tokens](http://www.asda.com/green-tokens) and select 'Shoeburyness' [from the drop-down box](#) please choose 'Friends of Hinguar'. Supporters will be able to vote once every seven days, so please return and revote in the following weeks.

## Curlew Class

On Monday of this week, we were lucky enough to welcome Mrs La Roche from Shoebury High school. She is the head of MFL and delivered a taster Spanish lesson to the class. Children learned how to introduce themselves and say how old they are. Having Mia in the class proved extremely helpful, as she assisted with pronunciation.

On Tuesday morning, whilst 12 members of the class were making the school proud at the Borough Sports competition, the rest of the class had a very creative time. First, they followed a You Tube tutorial to create a mosaic pattern using squared paper and specific colours. They then made their own mosaics using glass tiles and clay.

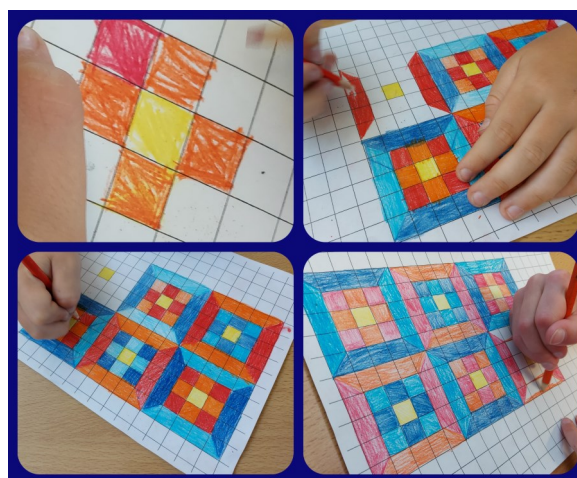

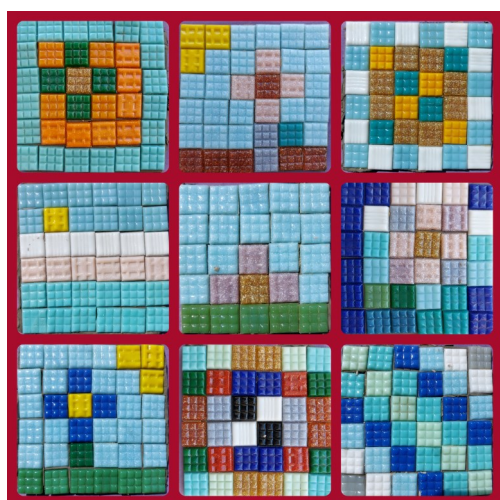

In science, we have been learning about the digestive system.

The children labelled these, had the opportunity to handle the internal organs models and used large books to help identify the key parts.

It has been another fabulous week and as usual I am extremely proud of each and every member of the class.

Have a fantastic weekend.

Miss Eakins and Mrs Abdulajeva

### NEXT WEEK'S MENU— WEEK 1

School dinners need to be **ordered and paid for in advance on the IRIS Parent Mail app**.

School dinner menus will be published weekly for the following week to be ordered and paid for on the Parent Mail app. Universal and Free School Meal children will still need to order their choices on the Parent Mail app **but will not be charged**.

To order, open the IRIS Parent Mail app and go to accounts. In accounts there is the School Dinner Register, tap on this to open the School Dinner Register and tap one of the days. This will take you to the screen with the menus for the week where you can order your choices for the individual day or full week.

### Staffing Update

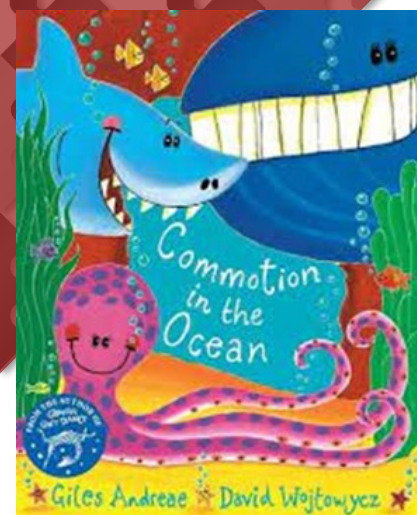

It is with great sadness that we will be saying our goodbyes to Mrs Hamblin, who is leaving us today. Mrs Hamblin has worked in the school office for nearly 3 years and is moving on to take up an office position in another Southend school.

We wish Mrs Hamblin all the best in her new role and thank her for all her hard work and dedication to Hinguar.

Over the next few weeks, the office will have reduced capacity until the new office lead is able to join us. Please bear with us if responses to your queries via emails/calls are not as immediate as previously. Thank you for your continued support.

## Seahorse Class

This week, Seahorse Class have been exploring the topic 'The Seaside'. We began the week by looking at how to stay safe at the beach. The children thought of ideas such as: wearing a hat, putting on sun cream, going in the shade, staying with an adult and drinking water. We also discussed how to stay safe in the sea. The children knew to ring 999 and ask for the coast-guard if someone was in trouble in the water.

During the week, we have listened to stories such as 'Commotion in the Ocean', 'A Hole in the Bottom of the Sea' and 'Kipper by the Seaside'. We have also compared seaside holidays from the past to the present.

In Literacy, the children have been working on a card for their significant male family member for Father's Day. They have also been drawing family portraits and writing sentences about their family.

In Maths, the children have been developing their number formation and colouring by number to support their number recognition.

Throughout the week, the children have been writing lists for a trip to the beach, building sandcastles from magnetic shapes, washing cars, playing in the sand-pit and making perfume from water and flowers.

### **IMPORTANT NOTICE**

Please could all children come to school wearing sun cream and bring a sun hat with them. Thank you

# Avocet Class

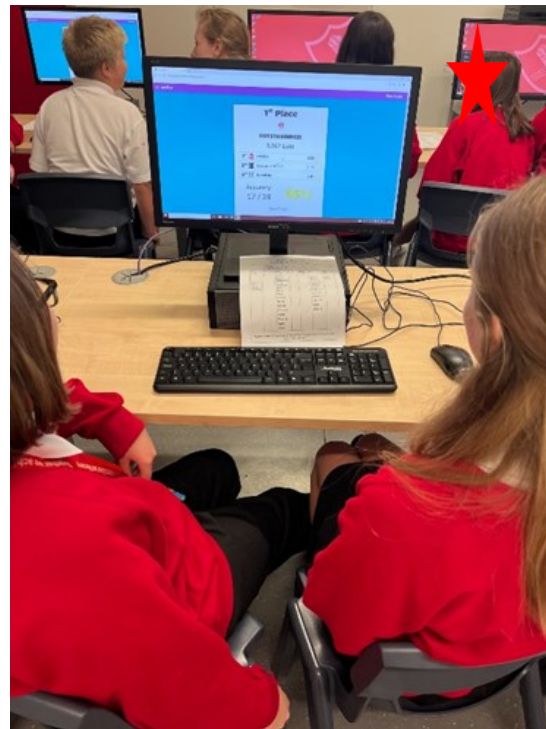

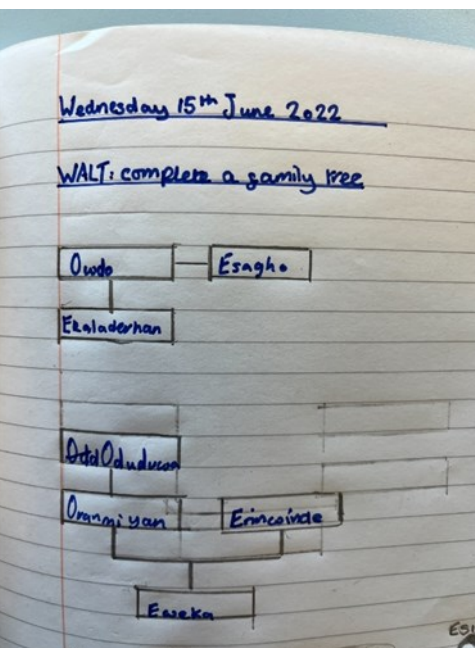

In English, this week we have continued to work on our non-chronological reports linked with our Science work on healthy life-styles. In History, we have created a family tree linked to our Benin topic, as well as reading an ancient African story. In PE, a group of children represented Hinguar at the Borough Sports achieving great success. Whilst, back at school we have had some Year 5 V Year 6 rounders matches.

As part of the Year 6 transition to secondary school we have had visits from some of the teachers to chat with the children and answer their questions. In addition, we had a visit from Mrs La Roche, a Spanish teacher at Shoeburyness High School, who gave them their first Spanish lesson.

Have a lovely weekend (and keep practising

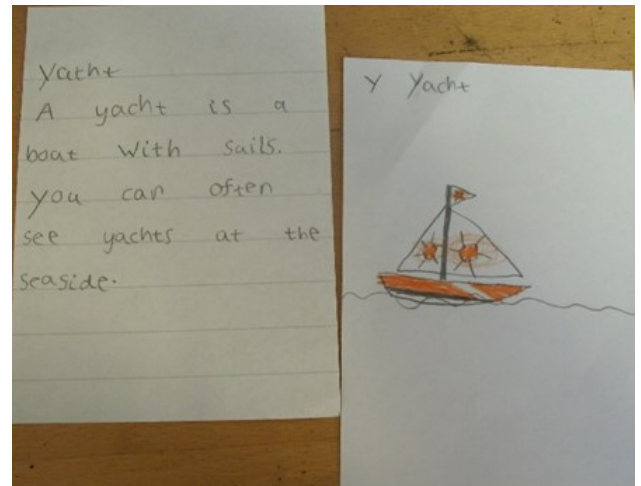

those lines!)

Mrs Calvy, Mrs Hawkrige and Ms Hardy

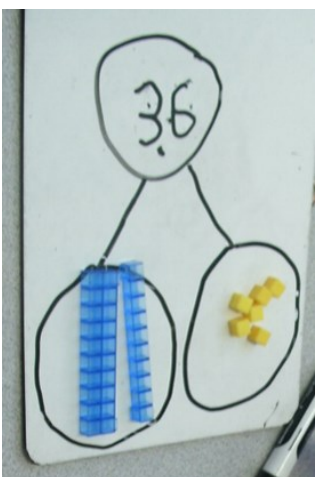

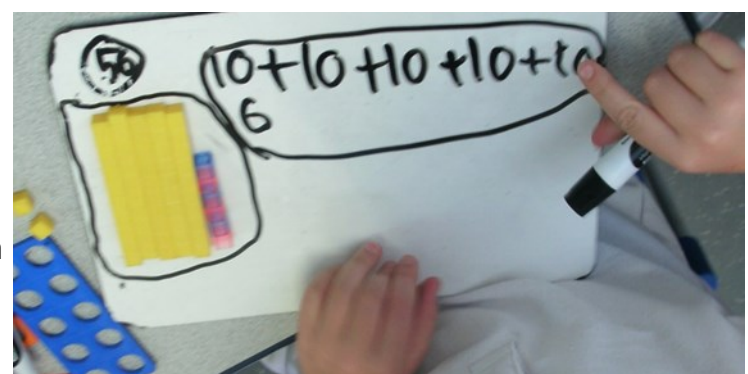

# Oyster Class

use alphabetical order to find words in a dictionary and read definitions. We have also been writing definitions of our own. We applied these new skills to create our own seaside alphabet. It was tricky to find seaside vocabulary for every letter of the alphabet, but we succeeded by working as a team and sharing ideas.

In Maths this week, we have been representing numbers up to 100 in a variety of ways and partitioning numbers into tens and ones.

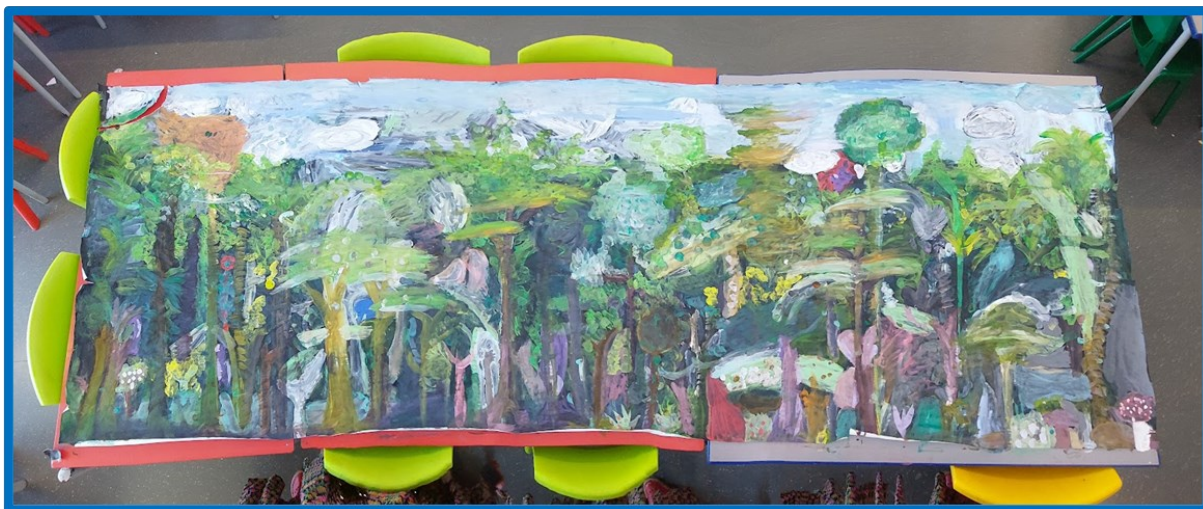

## Heron Class

This week, Heron Class had a fabulous visit from the Southend Diving Team at Garon's Leisure Centre. They demonstrated for the children what it takes to make a great diver and let them all have a go at showing their own bounciness and flexibility. They have continued with learning time in Maths, and looked at the use of prepositions in English and practised taking notes for their next piece of writing. While some of the class were out being AMAZING at Borough Sports, the rest of the children were tapping into their artistic natures and creating an enormous rainforest piece of work. Another amazing week with the wonderful Herons.

Enjoy the weekend, everyone! Mrs. Emmings and Mrs. Tarling

## Awards and Notices

### **'Catch Me!' Awards**

This is a system that rewards the children for doing the right thing all the time, whether it be being polite, helpful, ready to learn etc and any adult in the school can award the Catch Me! signatures to the children.

Well done to Emily, Elsie, Zachary, Jake and Finley S in Seagull Class, Larsson in Sanderling Class and Leon in Avocet Class who all received their Silver Catch Me! Awards

Well done to George in Seahorse Class, Piper, Zaha and Hollie in Oyster, William, Alice and Zack in Heron Class. Austeja and Ben in Curlew Class, Scarlett, Mikael, Georgia, Lucy, Mollie and Layla in Sanderling Class and Verity in Avocet Class who all received their Gold Catch Me! Awards.

And a Special Well done to Logan and Will in Sanderling Class who received their Platinum Catch Me! Awards.

### **Reading Champions**

Well done to Jessica in Seahorse Class and Finley S in Seagull Class who are our latest Reading Champions. If you would like to be awarded a Reading Champion badge, you must read a selection of challenging books from a variety of genres and then write a short review of ONE book that you have read. We have plenty more badges waiting to be handed out so let's see who will be next! We thank all families for their continued support in enabling our children to be Reading Champions and in fostering a love of reading. 'Together We Achieve.'

### **My Child at School**

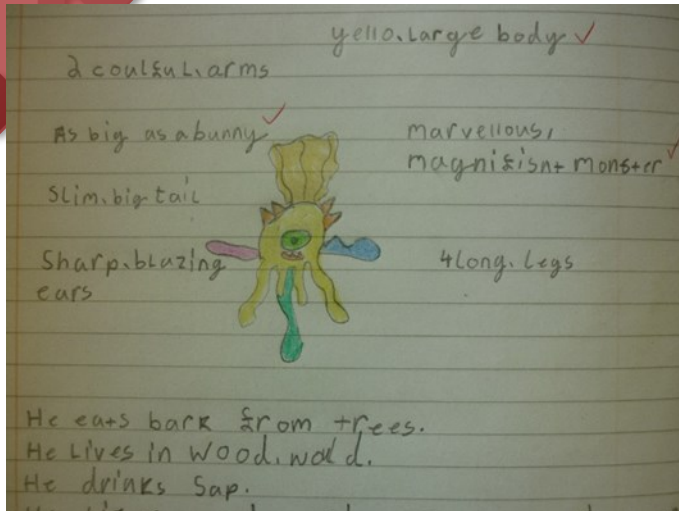

If you haven't already done so please remember to register with MCAS and download the App so you can keep in touch easily with school and up to date with your child's progress in school.

To receive notifications you need to download the app and enable notifications on your mobile phone.

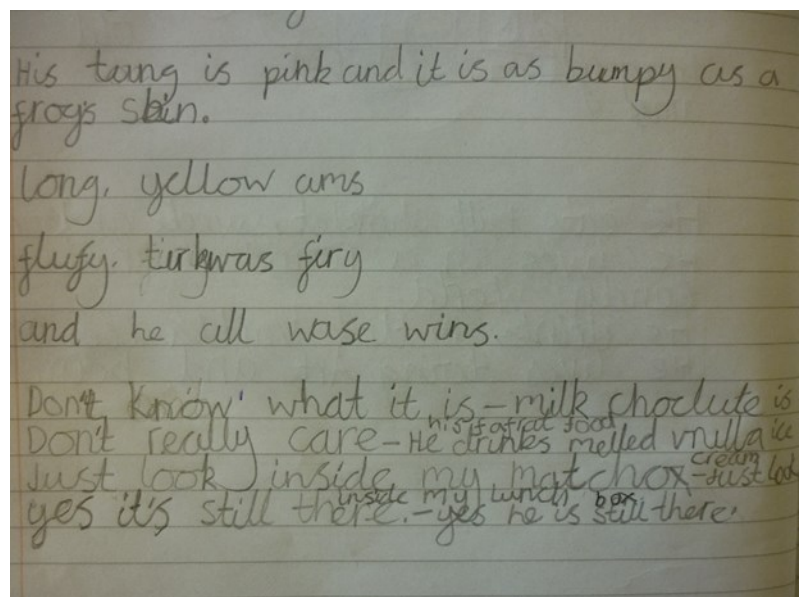

### **Communication via Teachers2Parents will cease at the end of June.**

Please contact the office if you need to be re-sent your invitation code or to reset your PIN.

# Seagull Class

This week in Seagull class, we have been creating our own monsters and writing rhyming poems. We used description, then edited our work and finally, we performed them to each other. On Friday, we wrote them in our best handwriting ready to be displayed in class. In maths, we have used reasoning and problem-solving skills to learn about time and using the correct hands on a clock. In science, we looked at food chains of sea animals and in topic our focus has been Grace Darling and her heroism. Our swimming lessons have been going very well and all the children are very excited when Wednesday comes around! Another great week, Seagulls!

### Student of the Week`

Student of the Week Awards are presented in class to celebrate a child's success in their learning. This may be through a strategy they have applied, a way of working that reflects a 'can do' attitude to achieve or a personal milestone achieved.

### Birthday Celebrations

This week in assembly we celebrated Vivienne, Parker, Toby, William, Zachary and Mia's birthdays.

### Race to the Park

The winning classes for each half term are rewarded with a trip to the local park.

The leaders in the race so far this term are KS1 Seagull Class 98.71% and in KS2 Curlew Class 94.35 %.

### 100% Attendance and Punctuality Prize

Each week, during our celebration assembly, we congratulate good attendance as a whole class.

This week in KS1, Alice the Bunny was awarded to Seagull Class with 100.00% and in KS2 the attendance cup was awarded to Curlew Class with 94.54%.

The classes will be rewarded with an extra turn on the play equipment.

## Starfish Class

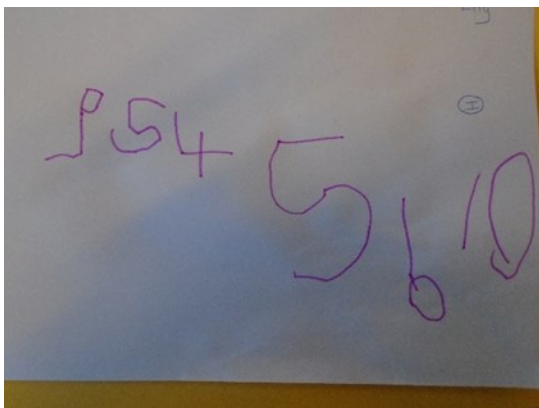

This week, the Nursery have been learning about going on a camping holiday. They have had lots of fun listening to the story 'Maisie Goes Camping' and having a go at building their own tent outside. The children enjoyed going inside and pretending they were camping.

In our small world area, the children were playing with a campervan, looking at what it would be like to stay in a caravan and discussing with the teachers how it is different to staying in a tent.

The children have also been working on their pencil control and writing words to do with camping. We were also very proud to see that the children were continuing to work on their numbers and writing them down in their play.

Well done, Starfish class!

Next week our activities will be linked to sports day and sports day preparations.

### Summer Term - Individual Support Plans

If your child has an Individual Support Plan (ISP) with SMART targets, to support them with their additional needs, your child's class teacher in the week beginning of the 4<sup>th</sup> July will be sharing these documents with you. Mrs White will be holding a 'drop in' session on Monday 4<sup>th</sup> July 2022 at 2 o'clock. This will give you an opportunity to log on to Edukey and see electronically your child's plan and speak to the SENCO about any further information.

#### **SMART Targets**

We set targets for children with SEND so that staff, parents, and children know what we are all working towards.

These targets are part of a child's Individual Support Plan (ISP). We include SMART targets in our ISP. SMART targets are:

- ✓ Specific: We say exactly what the next small step will be for the child.
- ✓ Measurable: We say how we will know if the child is meeting the target.
- ✓ Achievable: We will be ambitious for the child, but it still needs to be achievable.
- ✓ Relevant: We link it to the child's difficulties or what they need to achieve next.
- ✓ Time bound: Targets are normally set to for one term (10-14 weeks).

#### **How are Targets Specific?**

Specific targets say what the child will be able to do. We avoid words that are vague. Instead, we use action words to write targets (e.g., read, write, take turns).

#### **Edukey**

Parents and families will receive a code to access their child's Individual Support Plan on 'Edukey'. They can find an online ISP document. Class Teachers will provide a paper document during parent consultations and additional ISP meetings.

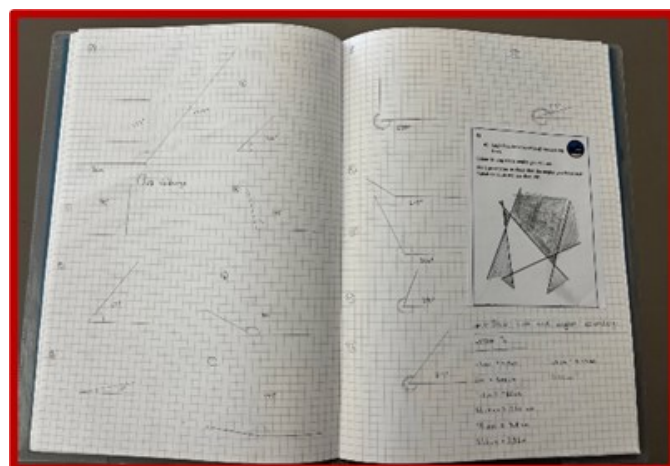

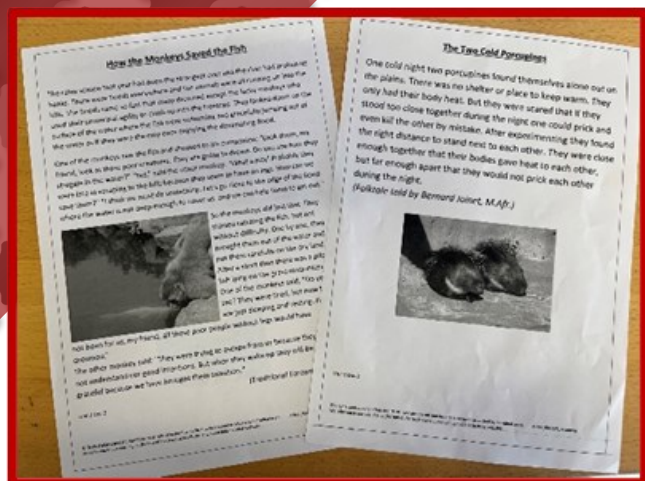

The school encourages families to go online to access their child's ISP and leave feedback to fully be part of the ISP process. The website link is [Learning Plan & Provision Map Writer \(edukeyapp.com\)](https://www.edukeyapp.com).

## Sanderling Class

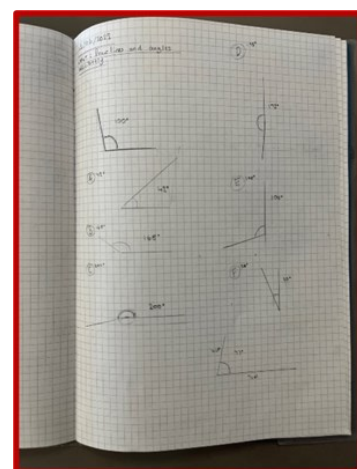

This week, in English we have been studying stories from different cultures. In Maths, we have learnt how to use protractors to draw angles. In PSHE, we have researched harmful substances and understand the importance of looking after our bodies. In Art, the children have been working hard to create props and programmes for our Joseph production in July.

Excellent week all.

Have a lovely weekend.

Miss Mountier and Mrs Edwards.
