

Ofsted is the Government's method of ensuring the quality of educational provision of all schools within England and Wales. You can find our most recent reports below.

*Due to Covid-19 and the reduced number of pupils attending school during the lock-down and subsequent months, there were no end of Key Stage Assessments for the Academic Year 2019 - 2020 or the Academic Year 2020 - 2021, which would normally include Early Years, Phonics, KS1 and KS2 performance data. Consequently, there is no expectation from the DfE to publish Teacher Assessments or end of Key Stage results for those years.*

*The government will not publish KS2 school level data for the 2021 to 2022 academic year. They have archived data from the 2018 to 2019 academic year because they recognise that the data from that year may no longer reflect current performance.*
