

Year 2 Homework Grid Spring Term 2024

Research a famous explorer and write an information page about them and their adventures.	Write a postcard or letter from the South Pole 'Send' it to Seagull Class	Create an information page or fact file about an animal from a cold climate. 
 Create a North Pole or South Pole collage, include some animals in your picture. Research which animals might be found in the polar region you choose.	Polar Explorers 	Imagine you are an explorer and you have just returned from an expedition. Create a map to show someone else your route or destination.
Imagine you have discovered a new country on your latest expedition. What will you call the country? What does it look like? Does it have mountains, rivers, forests? Create a fact file about the new country you discovered.	Visit the library and find a new book to read. Share the story with someone at home then draw a picture of your favourite part or write a book review.	Plan and write a story with a new adventure for a polar character. Make this into a mini picture book with your own front cover and illustrations.
 Make a model of an igloo, write instructions explaining how to make your model.	Research the North or South Pole using the internet or information books. Create a fact file using the information you have found.	Make an explorer tent in your house or garden. Imagine you're an explorer! Take some photos or write about your adventure. 
<u>EVERY WEEK</u> Read to someone at home 5 times and ask them to sign your reading record book.	<u>EVERY WEEK</u> Learn the facts for the times table challenges.	<u>EVERY WEEK</u> Complete your Education City homework

Parents- Please feel free to adapt the tasks to suit your child and present them in a way that works for you. Please encourage your child to complete one task every 2 weeks to share with the class as this supports their learning in class. The children can choose which tasks they are most interested in and would like to complete first. The activities chosen reflect a range of skills we will be covering in class, if you have any questions please speak to Mrs Oakley or Mrs Merton at the end of the school day or via the home-school reading book.

Thank you for your continued support. Together We Achieve
