

Year 1 Homework Grid

Beside the Sea

<p>Hide some treasure and make a treasure map so that someone else can find it. Don't forget to use lots of directions. e.g under, over, left, right, forwards, backwards.</p> 	<p>Design a pirate boat that won't sink. What materials would you use? Can you label your ideas?</p>	 <p>Find out about a sea creature using a non-fiction book. Draw it and label its body parts.</p>
<p>Design a house for a mermaid to live in. What will be inside? What would a mermaid need? Draw your ideas and label.</p>	<p>Make a poster telling people how they can look after our seas and oceans and protect the creatures that live in them.</p>	<p>Paint or draw an under the sea scene with lots of different fish and sea creatures. Remember to use lots of bright colours.</p>
<p>Where is your favourite seaside place to visit? Is it somewhere in Southend like the Sea Life Centre or Adventure Island or somewhere you have visited on holiday? Design a poster so other people know about this place</p>		<p>Collect something pretty or interesting from the beach (e.g. a shell or a small piece of drift wood). Make up a story about what it is and how it got there - use your imagination to make your story magical.</p>
<p>Make a map of your house and garden. Remember to draw it as if you are looking down like a bird. You could draw your route to school.</p>	<p>Make a number line counting in 2s, 5s and 10s; how far can you count? Make a number line with missing numbers for someone else to solve.</p>	<p>Write a seaside poem. You could use your senses to describe a trip to the seaside. Try and make your poem rhyme.</p>
<p>Using a pack of cards, pick 5 and see how many different number sentences you can make using only those 5 numbers. Can you make addition and subtraction sentences?</p>	<p>Try to write your own pirate jokes. Tell them to someone in your family. Can you make them laugh?</p>	 <p>Imagine you found a magic key which could take you anywhere you wanted. Write a story about your own Magic Key adventure.</p>
