22<sup>nd</sup> May 2026

Dear Parents and Carers,

We have reached the end of another busy half term. Year 6 have had a busy couple of weeks with SATs and then their residential. I have enjoyed seeing all the photos on Instagram and have been speaking to staff and look forward to hearing directly from the children about their exploits after half term.

As we move into the second half of the summer term there is still lots going on. Please see the calendar online for all the upcoming dates which include sports day, the Friends of Hinguar inflatable funday, leavers' celebrations and shows. In between all these events there is still lots of academic learning going on including the Year 1 phonics screening and Year 4 multiplication check.

I wish you all a happy half-term break and we will see you on Monday 1<sup>st</sup> June.

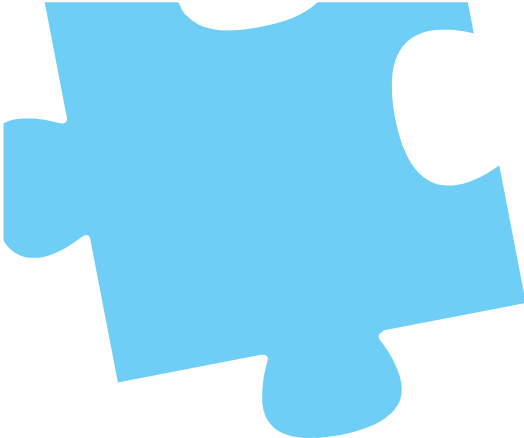

Kind regards,

Mrs Goy

## School notices

### Toys in school

Children should not bring toys into school. These can cause disputes, get lost or damaged and be a distraction in lessons. Fidget toys from home should only be in school if there is an identified need and in agreement with the teacher. Teachers will often provide these if needed. Some fidgets become more of a distraction than a support and if they make a noise can interrupt the learning of others.

## [WUW Self-regulation Guide](#)

As infants, we all rely completely on adults to help us resolve situations that are causing us to become upset or stressed. This is known as co-regulation. The next phase, once autonomy has begun to develop, is called self-regulation: this is when children start to become capable of exercising more control over their impulses and behaviour, and managing their own emotions.

This vital developmental milestone, however, isn't reached spontaneously. Learning to self-regulate requires sensitive guidance from trusted adults – simply talking with children about their thoughts and feelings, for instance, can ease the route to self-regulation. [This guide has some expert tips for supporting children to reach this goal.](#)
