Friday 20th November 2026

Dear Parents and Carers,

We started the week with our Odd Socks and Children In Need Day. Thank you for your support, we were able to raise £244.40 for the charity.

For odd socks day and anti-bullying week we have been talking to the children about kindness and respect for others. We talked about how to recognise bullying and speaking up for ourselves and others.

Year 4 enjoyed their Ancient Egyptian workshop on Thursday, some fabulous costumes from children and staff. Then on Friday our year 2 children went on their visit to the fire station and some of them represented Hinguar in the schools' football tournament in the afternoon. What a busy day!

A little reminder that the Parent Kind listening session for parents is next week.

Grand Theft Auto 6 (GTA)

Whether you are a gamer or not, it has been hard to miss the publicity for the new release of this game. I would like to take a moment to highlight the content for those of you who might not be aware, as it is important to make informed choices as a parent. Gaming is something enjoyed by many children and adults and can be lots of fun. GTA is rated 18, with adult content which is unsuitable for children. The title itself tells us the content, the story follows two adult criminals; this is coupled with violence, drugs and sexual content with very realistic graphics.

The immersive nature of the game means that the player takes the role of the character and controls their actions, carrying out the activities in the game. This exposes children to (often inappropriate or illegal) adult behaviours.

Summer and Willow have both been working hard at gymnastics this year and were delighted to receive their latest IGA proficiency awards. It's been wonderful to see their commitment, confidence and skills continue to grow through regular training and practice. Well done, Summer and Willow!
